You can turn to plenty of information sources on the national scene. But there is only one independent publication devoted solely to business in the Pacific Northwest. If you do business in Washington, Oregon, Idaho, Montana, or Alaska, you need Marple's Northwest Business Letter to keep you informed on the economy right here at home.

Thousands of readers rely on Marple's, published every other Wednesday, to keep them abreast of all the important trends in the Northwest economy. What industries are recovering fastest? Which are lagging? Which state or metro area is rebounding faster than most? These are just a few of the questions Marple's will answer for you.

As a subscriber, you'll continue to read key features covering banking, publicly traded companies, regional bank performance, personal income, employment and unemployment data, and important statistics by state, county, and metro area ... but you'll also be up-to-date on developments in the industries that drive the region's economy.

There'll be much more in the coming months and years from Marple's. And, here's a special offer ...

Subscribe today at the special one-year introductory rate of \$79.95. That's 41% off the regular subscription rate.

Stay abreast of the developments in the Northwest's economy that will affect your business ... your profits ... your future. Don't miss an issue ... subscribe TODAY!

100% No-Risk Money-Back Guarantee!

If you ever become dissatisfied, we will refund your entire trial subscription fee, no questions asked, right up to the final issue in your term.
